Re: CC Docket Nos. 02-6
Request for Review of Decision by Administrator
Notification of Commitment Adjustment Letter, Form 471
Application number 298010
FCC Registration Number: 0011779261

Pursuant to section 54.719 of the Commission's rules and regulations, 47 C.F.R. § 54.719, Networks and More! Inc. (N&M) hereby requests for the review of a determination issued on November 3, 2006 by the Schools & Libraries Division (SLD) of the Universal Service Administrative Company (USAC).

N&M is a Service Provider registered with USAC under Service Provider Identification Number 143004355. N&M provides schools & libraries with various Internet services including E-Rate eligible Internet e-mail service.

The funding in question was for **Funding Year 2002**, involving **FRN 777610** for the **West Deptford Twp Sch District**. The amount of funding totaled **\$3,024.00** for e-mail services.

According to SLD's Notification of Commitment Adjustment Letter, USAC has rescinded funding based on a finding that "service provider contact information appeared on the cited Form 470." According to USAC, a Form 470 that contains contact information for a service provider that participates in the competitive bidding process is considered "tainted", and all Funding Requests that relate to such a form must be denied.

SLD's determination is in error. Review of the actual 470 in question (**996630000389612**) as filed on SLD's web site shows that the form contains only contact information for the school district.¹ *No contact information whatsoever for N&M or any other service provider is included on the form.* SLD's determination that the Form 470 is tainted based on inclusion of service provider contact information is, therefore, completely unjustified.

¹ A copy of the relevant Form 470 is attached in .pdf format to assist the Commission in review this matter. Examination of that form shows that the address, telephone and fax numbers found under Item 4 are those of the school. The Contact Person listed under Item 6 is the school's Business Administrator/Board Secretary, and all contact information under that Item relate to the applicant. The Authorized Person listed under Item 27 is the school's Business Administrator/Board Secretary. None of the other phone numbers or addresses listed on the form are associated with N&M or any of its personnel.

Furthermore, any involvement of N&M in connection with this application was ministerial/clerical in nature and did not in any way "taint" or otherwise affect the competitive bidding process. At that time, and throughout the entire history of the E-rate program, our company has scrupulously complied with both the letter and spirit of all published rules, policies, interpretations, etc of both the SLD and the FCC.

N&M accordingly requests that the Commission reverse the action of the SLD and direct SLD promptly to restore funding for this FRN.

Sincerely,

James M. Punderson, IV

Form 471 Application Number: 298010
Funding Year: 2002
FCC Registration Number 0011779261
Applicant Name: WEST DEPTFORD TWP SCH DISTRICT
Billed Entity Number: 123247
Applicant Contact Person: William H. Thompson

Our routine review of Schools and Libraries Program funding commitments has revealed certain applications where funds were committed in violation of program rules.

In order to be sure that no funds are used in violation of program rules, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) must now adjust the overall funding commitment. The purpose of this letter is to make the adjustments to the funding commitment required by program rules, and to give you an opportunity to appeal this decision. USAC has determined the service provider is responsible for all or some of the program rule violations. Therefore, the service provider is responsible to repay all or some of the funds disbursed in error (if any).

This is NOT a bill. If recovery of disbursed funds is required, the next step in the recovery process is for SLD to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of the Demand Payment Letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." Please see the "Informational Notice to All Universal Service Fund Contributors, Beneficiaries, and Service Providers" at <http://www.universalservice.org/fund-administration/tools/latest-news.aspx#083104> for more information regarding the consequences of not paying the debt in a timely manner.

Funding Commitment Adjustment Report
Form 471 Application Number: 298010

Funding Request Number:	777610
Contract Number:	C
Services Ordered:	INTERNET ACCESS
Billing Account Number:	
Original Funding Commitment:	\$3,024.00
Commitment Adjustment Amount:	\$3,024.00
Adjusted Funding Commitment:	\$0.00
Funds Disbursed to Date:	\$3,024.00
Funds to be Recovered from Service Provider:	\$3,024.00
Funding Commitment Adjustment Explanation:	

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. During the course of review it was determined that service provider contact information appeared on the cited Form 470. When the Service Provider, Networks & More, Inc., participated in the preparation of the cited Form 470 (Application Number: 996630000389612), the Form 470 becomes tainted. FCC rules require applicants to submit a Form 470 to initiate the competitive bidding process, and to conduct a fair and open process. If the applicant has posted a Form 470 that contains contact information for a service provider that participates in the competitive bidding process, the applicant has violated this requirement, and FCC rules consider this Form 470 to be tainted. All Funding Requests that relate to this Form 470 are required to be denied because the Form 470 is tainted.

Accordingly, the commitment has been rescinded in full and USAC will seek recovery of any disbursed funds. USAC has determined that both the applicant and the service provider are responsible for this rule violation; if any funds were disbursed, USAC will seek recovery of the improperly disbursed funds from both the applicant and the service provider.
